

## Lakeside Grain & Feed Limited Announces New Location in Middlesex County

November 20<sup>th</sup>, 2018

Ian Shipley, General Manager of Lakeside Grain & Feed, announces the opening of a new branch location for Lakeside Grain & Feed Limited on November 20<sup>th</sup>.

Lakeside Grain & Feed Limited is no stranger to the agricultural retail business. With branch locations in Forest, Petrolia and Melbourne, Lakeside is proud to serve customers in Lambton, Middlesex and Kent counties for all their seed, fertilizer and crop protection needs. The Strathroy Location is now merged with the new Melbourne location.

Being part of the Agronomy Company of Canada, Lakeside was given the opportunity to purchase a Cargill location in Melbourne as a part of the sale of Cargill's crop input and grain handling facilities to La Coop Federe (LCF). As of November 20<sup>th</sup>, 2018 Lakeside Grain & Feed will be moving into its new added home at 22637 Melbourne Road, Melbourne, ON. "We (the team at Lakeside) are very excited for this new opportunity. Having a larger facility will help Lakeside to better serve its customers in Middlesex and surrounding counties" says Shipley.
